

MANAGEMENT BY FIRE!

Alan Ram's
PROACTIVE TRAINING SOLUTIONS

Where Dealers and Managers learn how to manage and drive traffic: better, faster, and smarter.

Revolutionize the Way You Drive Traffic

Learn simple and highly-effective processes to function at a much higher level and **drive exponentially more traffic** to your showroom.

Manage Showroom Activity

Understand *why* what Managers are doing when there are no customers in the showroom is every bit as important as what they do when they have a showroom full of customers.

Great Managers Are Made

Gain the skills to *really manage* in today's environment during this 2 ½ day high-impact event, conducted by Laura Madison.

May 15th-17th in Dallas, Texas

*"After attending **Management by Fire** we doubled our phone up conversion at both stores and, last month, sold 4x more cars out of the service drive than we ever have. This training pays off!"*

Kevin Cravo, Variable Ops Manager
